

New Service Day Information Included

Dear West View Borough Resident,

As of January 1, 2016, West View Borough residents will receive trash and recycling service on Tuesday, Wednesday and Thursday. The street on which you reside will determine your new pick-up day for both services. Please review the schedule below to find out when your new service day will be.

Beginning the week of January 4, all residents will receive waste and recycling pick-up on their respective day assigned to your street. Single-Stream Recycling pick-up will occur every week, and will be on the same day as your scheduled waste pick-up.

If a Holiday falls on or before your service day, service will be one day later. If the Holiday falls on a Saturday or Sunday, there will be no change in service.

We are making these changes in an effort to continue to provide safe and reliable service to our customers, and to improve our efficiencies.

We are strongly committed to safe collection and responsible management of your waste, while providing the highest quality of service. We assure you that this change will be a smooth transition, but if you have any questions or concerns, please don't hesitate to contact Waste Management customer service at (800) 866-4460.

Thank you for your cooperation and dedication to Waste Management. We appreciate you choosing our company for your waste and recycling needs.
